

## 2010 Weekend Travel League

If your work or family schedule keeps you from participating in Weeknight Leagues, or if you just want to play as much golf as possible, the Chapter's Weekend Travel League (WTL), which plays on Saturdays or Sundays throughout the golf season, is for you.

### How it works

1. Our WTL captain reserves 3-4 tee times at a variety of area courses and emails members on the WTL roster at the beginning of each week (Sun.) to let them know the details of where and when the group will be playing on the upcoming weekend.
2. If you want to play, simply reply to the email before the stated deadline to reserve your spot in the field. The field fills up fast, and registration is on a first-come-first served basis, so be sure to respond as quickly as possible.
3. Later in the week the captain will email those who are confirmed for the weekend's field. On Thurs./Fri. players will receive pairings and tee times.
4. You pay the greens fee at the pro shop when you sign in to play.
5. On the day of play, there is a "contact person" who will handle last minutes cancellations, regrouping of foursomes etc.. Players will be asked to serve as this "contact" person.
